BIOSCENTIA
BOTANICAL EXTRACTS

Your one-stop solution
for pure botanical extracts & oils

www.bioscentia.com

India's sourcing depth. Your market advantage.

Bioscentia is a B2B procurement and sourcing partner connecting consumer brands with reliable Indian manufacturers across Food & Beverages, Cosmetics, personal care, body care, hair care, skin care, wellness, aroma therapy, fragrance, pharma, etc., and allied ingredient categories.

Our role is simple: reduce sourcing complexity. We align product requirements, manufacturer capability, commercial terms, packaging, quality documentation and international logistics into one coordinated supply path.

With decades of experience in natural ingredients, fragrances, and wellness solutions, Bioscentia is built on the principles of quality, transparency, and sustainability, and has become a renowned name known for its uncompromising quality, transparent pricing, and timely delivery.

Markets we serve:

We serve all markets Globally including UAE, MEA, APAC, Europe and USA.

Private Labelling:

Your product.Your brand. Our supply engine.

For brands that want to move beyond raw material procurement, Bioscentia can co-ordinate private-label pathways with manufacturing partners—from product selection and pack formats to documentation and production readiness.

Pack Formats

Flexible pack sizes and market-appropriate presentation options.

Brand Adaptation

Co-ordinate labels, visual specifications and compliant packaging inputs.

Documentation

Product and batch documents structured for buyer review and onboarding.

End-to-end Coordination

One point of contact across supplier, packaging and dispatch milestones.

With Love.
From India, to the World.
